Dear Members,

Welcome to the 2021 Golf Season at the Country Club of Spartanburg! Your Professional Staff is looking forward to an exciting year of possibilities. We hope this booklet serves as a valuable resource for our membership as you navigate through your golfing ventures. Inside, you'll find information on all things golf—a calendar of events throughout the year, policies and procedures and information from your Golf Committee.

We anticipate 2021 to be another great year, and nothing short of it! In 2020, we focused on making positive changes to our program and amenities. This year, we will continue the positive momentum as we offer new and exciting services, products, and events. Looking to get fit for a set of golf clubs? This year the Professional Staff will have a vast offering of custom components to fit your entire game! From brands such as Callaway, Taylormade, Titleist, Mizuno, and Ping, you'll be able to try the latest technology before purchasing. Highly demanded "Demo Days" will also be made available through appointment. Be sure to take advantage of this opportunity to work with your favorite brands' certified fitter!

Golf has certainly been an amazing outlet for all during these unprecedented times. With rounds being up over 20% from year prior, we are proud to offer even more events this year. Please sign up for the newly added Couples Mixer's, One-Day Member Guest Days, Monthly "Play with the Pro" series, and instructional workshops to accommodate all levels of golfers! You may notice a change in our practice facilities as we continue to upgrade not only our accessories, but also the overall aesthetic of these facilities. Practice your short game with premium golf balls as we now offer premium range balls that can be picked up from the Professional Shop (*please return after use!*). Our goal is to continuously provide an excellent golfing experience for all members and guests, every day, better than the day before.

The Golf Professional staff invites you and your family to stop in the shop and meet your Professionals, and check out what's new for 2021. Our Professional Shop is full of everything you need to gear up for the game, plus CCS spirit merchandise, and gifts and goods from local businesses here in the 'Burg. Golf Rules & Regulations

The Golf Course and Golf Shop will be **CLOSED** on all Mondays unless otherwise announced. Starting times are required every day, Tuesday-Sunday. Times may be obtained up to one week (7 days) in advance through the club website or by calling the Professional Shop.

Approved organized groups will be provided preferred starting times. These groups must be approved by the Head Golf Professional and Golf Committee. Group sizes of 4+ must always be approved by the Professional Staff before beginning play. If approved, pace of play must be maintained at all times.

The clubs pace of play policy suggest groups should play at a 4 hour pace for 18 holes. The Professional Staff will be monitoring pace of play throughout the day. If a group fails to maintain its position and loses one clear hole in front of them they will need to follow the pace of play rules. These rules suggest the group proceed to play “ready golf”. If pace has not quickened then players will be asked to allow faster groups to play through.

In order to maintain the golf course in optimum playing conditions, members agree to repair all ball marks, fill all divots and deposit all trash into trash receptacle's. Members who are negligent to these tasks are subject to disciplinary action by the Golf Committee.

Format Definitions

Round 1: Fourball 90% Handicap

In a match play competition, a four-ball consists of two teams of two players competing directly against each other. All four golfers play their own balls throughout the round (rather than alternating shots); each hole is won by the team whose member has the lowest score.

Round 2: True Alternate Shot 50% combined team handicap

In foursomes, the players alternate hitting shots while playing the same ball—this is why the format is colloquially known as alternate shot. Player A will hit the tee shot of the first hole, then Player B will hit the next shot, then back to Player A, and so on and so forth until the ball is holed

Round 3: Scramble 35% of the low player and 15% of the high

Scramble format involves 2-person teams where each player on the team hits a tee shot, and then the players decide which shot they like better. The two players then play from that spot. The person who's shot was not taken picks up their ball and moves it to within one club length of the selected spot.

Round 4: Pinehurst 60% of the low player and 40% of the high

In the Pinehurst System, both players tee off, then they switch balls. Player A plays Player B's drive, and vice-versa. Each player hits the second shot. They then select the best of the second shots, and from that point until the ball is holed they play only one ball in an alternate shot format.
